Department of Information Technology & Telecom
Ministry of Information & Communications
Royal Government of Bhutan

DITT/DDF/GovNET(PMU)/2019-2020/1831

June 10, 2020

To
The Chief Executive Officer
Bhutan Power Corporation
Thimphu

Sub:- GovNET Extension to Government Agencies

Sir,

The department would like to take this opportunity to inform that through the “**Digital Drukyul Flagship Program**” the office is implementing Internet connectivity to all government agencies around the country. The Internet connection will be extended from Dzongkhag Local Area Network (DLAN) to Regional Offices under Dzongkhag and Gewog Center to Hopstitals/BHUs, Schools & RNR by stringing additional fibers on the power lines or T-Off from the nearest pole to the agencies.

Therefore, we would like to seek your technical assistance and necessary approvals to carry out the extension work smoothly. The operation and maintenance of the extended fiber will be handed over to your agency once it is commissioned. Also, the list of agencies are attached herewith for your kind reference please.

Thanking you for your continued support.

Yours sincerely

(Jigme Tenzing)
Director

CC:-

1. The Chief, DoTS, DITT for your information.
2. All Dzongkhag & Thromde ICT section, for your information and action
3. Office copy.
